

...one who is not satis-
fied using two-thirds of the
contents. This is the best remedy
in the world for gripe, coughs,
colds, croup and whooping cough
and is pleasant and safe to take. It
prevents any tendency of a cold to
result in pneumonia.

Dr. E. O. Guerrant has handed
in his resignation as pastor of the
Presbyterian church at Wilmore
to take effect the first of January.
Dr. Guerrant's object in making the
change is to give all of his time to
evangelistic work. He is the first
and only pastor the church at that
place has ever had. He organized
the church about 15 years ago and
has been pastor of same for more
than 14 years. When he went
there, there were only 13 scattered
Presbyterians in that part of the
country, and now his church mem-
bership runs to nearly 200. —Ex.

Miss Ollie Cannon died at the
home of her uncle, Jacob Warner,
near town, Tuesday, January 2nd,
1900, after about a year's illness
with consumption. Mr. and Mrs.
Warner had reared her and they
were as much devoted to her as if
she had been their own child. Ev-
erything was done for her by lov-
ing hands to relieve her of the ter-
rible disease, but he who doeth all
things well called her home. She
was buried Wednesday afternoon
at the Warner graveyard, after ser-
vices at the home conducted by
Rev. J. B. Nelson of the M. E.
church, of which she was a devoted
member. We join her many friends
in sympathizing with the family.

It has been demonstrated repeat-
edly in every State in the Union
and in many foreign countries that
Chamberlain's Cough Remedy is a
certain preventive and cure for
croup. It has become the universal
remedy for that disease. M. V.
Fisher of Liberty, W. Va., only re-
peats what has been said around the
globe when he writes: "I have used
Chamberlain's Cough Remedy in
my family for several years and al-
ways with perfect success. We be-
lieve that it is not only the best
cough remedy, but that it is a sure
cure for croup. It has saved the
lives of our children a number of
times." This remedy is for sale by
J. T. Kimbrough & Son, Druggists.
